MAURIZIO CONTI
CURRICULUM VITAE – January 2018

CONTACTS

Address: Department of Economics and Quantitative Methods- University of Genoa, Via Vivaldi 5, 16126, Genoa, Italy; https://sites.google.com/site/mauriziocontiunige/home.

Telephone: ++39(0)102095272

Email: mconti@economia.unige.it.

RESEARCH INTERESTS

My main research interests focus on two main areas. The first is labour economics and in particular the role of labour market regulations and institutions on the evolution of firms' behaviour. My second area of research is the economics of network industries and local public services: in particular, I have done work on optimal industry configuration and on the impact of price regulation on firms' behaviour and productivity. Auxiliary interests are in regional and transport economics.
